Scholarship Monies are to be used for each National member in good standing for a minimum of one full year. The scholarship can be used for any real estate related course with the exception of continuing education, sales, motivational seminars, and licensing courses.

The scholarship budget allowing, qualified candidates will be reimbursed in full for one course. In the event there are candidates that qualify for more than one course, the budget allowing, monies will be divided among the members.

These reimbursements will be given out as part of the awards meeting in October.
